Eleventh Sunday in OT (year B)

15th / 16th June 2024

No. 1387

Dear Parishioners

I hope that you and your families are well. I send you all my prayers.

This Sunday the Church marks a **Day for Life**, when we are invited to reflect on life as God's gift to each one of us. While the general theme is the infinite value of life from cradle to grave, this year the Bishops focus particularly on the end of life, and the need to build a culture of care. They write:

There has been much discussion in the media recently about 'assisted suicide', whereby people who feel they are overburdened by suffering will be facilitated in bringing their lives to a premature end by a change in legislation. The Catholic Church opposes this. As Catholics, along with many people of other faiths and none, we share a different vision about what it is to be fully human, especially when we are suffering and approaching death in the hope of eternal life. People who are coming towards the end of their lives can feel vulnerable, and recent research shows that many consider themselves a burden on their loved ones and wider society. Jesus shows us that life always has dignity and that there is no such thing as a useless life. We are called to defend this gift of life to its natural end and to protect vulnerable citizens from a culture that could pressure them into assisted suicide. We support people with the companionship of a listening ear, appropriate treatment, and the best of care, so that their last days can be times of grace, intimacy and love. Jesus did not send the sick away. Our Lady remained at the foot of the Cross to the very end as Her Son, Jesus, died. Mary is the model of compassionate presence and prayer whom we are called to imitate. People close to death and their loved ones often go through similar darkness and pain but can come to a more complete acceptance and find peace in those treasured last moments accompanied by spiritual care.

Please read more about this: <https://www.cbcew.org.uk/day-for-life/> and <https://www.cbcew.org.uk/pope-francis-gives-his-blessing-to-day-for-life/>

Meanwhile, on Monday we begin **Refugee Week**. We will mark this especially on Sunday 23rd with a talk given by Anna Pincus. Please see the information below. Anna has worked for many years with refugees and others detained by immigration near Gatwick Airport, and is familiar with the many challenges and hardships which they face. I commend this event to you very highly.

I send my very best wishes to you all. Yours. Fr Paul

Prayers

Please continue to pray for our parishioners Norbert and Severina D'Souza, Veronica Adnitt, John and Sue Rutherford, Demelza Waring, Liz Hicklin, Pamela Bagwell, Helen Sweetman, Jill Carter, Laura Rawlinson, Peter and Antee Greene, Fred Green and Hugh Hurdman.

A prayer of Pope Francis, marking Refugee Week

*God, Almighty Father, we are Your pilgrim Church
journeying towards the Kingdom of heaven.
but as if we were foreigners.*

*Every foreign place is our home, yet every native land is foreign to us.
Though we live on earth, our true citizenship is in heaven.
Do not let us become possessive of the portion of the world
You have given us as a temporary home,
together with our migrant brothers and sisters,
toward the eternal dwelling you have prepared for us.
Open our eyes and our hearts so that every encounter with those in need
becomes an encounter with Jesus, Your Son and our Lord.
Amen.*

A prayer for Christians preparing for the General Election

*Mary, model of encounter, you heard God's call.
Teach us to listen deeply in our polarised world.
Mary, woman of courage, you sang joyfully of God's justice.
Inspire us to challenge inequality and call for fulness of life for all.
Mary, seeker of sanctuary, you fled violence and persecution.
Be with us as we seek peace and respect for human dignity.
Mary, mother of community, you joined the disciples at Pentecost.
Pray that the Spirit will empower us as we act together for the common good.
Amen.*

In preparation for the 2025 Jubilee Year "Pilgrims of Hope", 2024 has been designated a Year of Prayer by Pope Francis.

*"Prayer unites us; it makes us brothers and sisters.
It is in prayer that our hearts find the strength not to be cold and insensitive in the face of injustice.
In prayer, God keeps calling us, opening our hearts to charity." (Pope Francis)*

God of peace may your kingdom come. May fear strike no longer, let pain fade away, may earthly power be challenged, when it plunders the poor, and tramples on hope.

God of peace may your kingdom come. Help us put away the weapons of war, help us destroy the tools of destruction, let earthly power be challenged, when it plunders the poor, and tramples on hope.

God of peace may your kingdom come. Teach us to follow the ways of justice, teach us to walk the paths of truth, let integrity challenge the power that plunders, when it tramples the poor and pours scorn on our hope.

God of peace may your kingdom come. Bring peace sweet as honey, bring peace like a shield, and may we be the challenge to earthly power that plunders and tramples on hope.

*God of peace may your kingdom come.
Amen.*

(Linda Jones/CAFOD)

Please pray for the people of Israel and Palestine and of Russia and Ukraine

*God of peace, who are peace itself,
and whom a spirit of discord cannot grasp, nor a violent mind receive,
grant that those who are one in heart may persevere in what is good.
and that those in conflict may forget evil and so be healed.
Through Christ our Lord. Amen
(Prayer: Roman Missal, p.1361)*

Please pray for the Souls of – Julian Millest, Jack Gould, Tony Curtis, Eileen Ortiger, Rev Richard Harvey, Richard O'Connor, Phyllis Gould, Chris Whitman, Kathleen Southwood, Tony Wright, Bernadette Brailey and Amy Noyce.

It is so called because this is the ordered time – outside the seasons of Advent, Christmas, Lent and Easter – when Sundays are counted (using ordinal numbers) ... In this season we are encouraged to grow and mature in daily expression of our faith. This is a time to deepen our prayer life, to read and reflect on the Scriptures, and to unite ourselves more deeply with the Lord in the Eucharist." Church Closure

From
Monday 15th July – Friday 2nd August
the church will be closed for
necessary Maintenance.
We expect the Unity Room will be
available.
We will keep you updated.

Would anyone be able to join a group in your home area who could watch out for anyone who may not be able to attend mass for any reason?

We hope it will help to keep an open door to the parish for those who cannot be physically present, either by taking Holy Communion into their home or by simply making a social visit. Do please get in touch if you can help. Thank you very much.

In preparation for the election, Cardinal Vincent Nicolls writes to us:

Cardinal Vincent Nichols, President of the Catholic Bishops' Conference of England and Wales, encourages Catholics to vote in this July's General Election :

"Engage with [parliamentary] candidates in any way that you can - you want to know what that candidate will think and say on your behalf, when that candidate gets into parliament.

"There are lots of questions you might want ask, there is a theme, though, that I would like to put forward and that is 'how do we seek to construct a society in which families can flourish?' that theme is the bedrock and all sorts of things flow from that...

"Criminal Justice depends a lot on the stability of family life; poverty and plenty and how we adjust and share the resources of our society; International Affairs and Education are important for the flourishing of family life, as are Life Issues, the beginning and ending of life, those principles that are so crucial to our mutual respect and regard for one another."

Cardinal Nichols signposts a number of resources in the recording which offer guidance on key topics of interest to Catholics. You can access these resources and find out more on the [Bishops' Conference Website](#). The St Vincent De Paul Society (SVP) have teamed up with CAFOD to offer election resources with a particular focus on tackling poverty. You can find out more on the SVP website [here](#).

(Please see the printed sheets available by the church doors.)

Worth Pro Earth

The General Election

With the important issue of a General Election on the **4th July**, WPE are going to concentrate on that for the next 3 weeks.

We steer away from politics as much as this is possible when dealing with climate and ecological issues as we focus on individual and community actions. While these are extremely important it is difficult to deny that our actions need to be supported - or at least not sabotaged - by our government.

With this in mind CAFOD have created an interesting piece on questions that we - as Catholics - should be asking any candidates we meet at hustings or on our doorsteps.

Here is one extracted from that article - the full text of which can be found on the CAFOD website [CAFOD.org.uk/encounter](https://www.cafod.org.uk/encounter) (and some hard copies of which can be found in the Narthex)

'We know that we need to transition away from fossil fuels if we are to have any chance of halting the climate crisis. Would you work to ensure that the UK finally ends all new oil, coal and gas projects and phases out existing ones?'

World Refill Day

16th June is World Refill Day which is a global campaign to prevent plastic pollution and help people live with less waste. A day of action uniting our global community every year on 16th June, the campaign is designed to create an alternative vision of the future and accelerate the transition away from single-use plastic towards refill & reuse systems.

Why we need a refill revolution

Our throwaway culture is polluting our planet and we need to turn off the tap when it comes to single-use plastic. Globally we use millions of tonnes every year and it's becoming clear that we can't recycle our way out of our plastic problem. Plastic is not only polluting our planet, impacting communities around the world and contributing to the climate crisis, but it's making its way into our bodies through the air that we breathe and the food we eat.

We urgently need to shift from our disposable, single-use culture to a more sustainable, circular future, with reuse & refill at the centre.

We create more than 300 million tonnes of plastic every year, half of this is single use.

Globally, less than 2% of packaging is reusable.

Less than 10% of the plastic we use has ever been recycled.

Anyone can download the free Refill app to tap into a global network of places to reduce, reuse and refill. From a coffee on your commute, to drinking water on the go, or even shopping with less plastic.

Refill puts the power to go packaging free at your fingertips.

- Free water refills - More than 274,000 Refill Stations offering water Refills globally.
- Coffee on the move - find places offering discounts and rewards for bringing your own cup.
 - Lunch on the go! Find places you take your own lunchboxes to get your food to go.
- Plastic-free Shopping - reduce pointless packaging when shopping, use the app to find refills.
- Returnable packaging - Explore ways to borrow, return and reuse through the Refill App.

WPE Welcome new members. We meet once a month on a Wednesday at 2pm in St Benedict's. Our next meeting is on Wednesday, **10th July** at 2pm. Please get in touch if you would like to attend.

Creator God, we thank you for the wondrous gifts of creation. Inspire us to take only what we need, so that your people may benefit equally from the gifts you give us all. Amen
